71 years of trusting God

Pastor Peter McLewin

On October 7th we will celebrate 71 years of ministry in Norfolk. From our beginnings in a home in 1943 God has taken us a mighty long way. Our members have traveled to all the continents of the world except Antarctica, and we have not given up on getting there yet. We're fairly sure one of our Homeschool Plus graduates will end up on a scientific trip to Antarctica; it just a matter of time!

This week I have been reading and meditating on Psalm 71. While we don't know who the author is, clearly it is a person who has walked with the Lord for a long time and experienced hardships and victory. More than anything else, he lived for the next generation to know the power of God. It's a great Psalm to pray over our church as we enter our 72nd year of ministry.

O God, from my youth you have taught me, and I still proclaim your wondrous deeds. So even to old age and gray hairs, O God, do not forsake me, until I proclaim your might to another generation, your power to all those to come. Psalm 71:17-18

I'm excited about the speaker who has agreed to share his testimony with us on our 71st anniversary. One day someone bumped into our speaker in the capital city where he lived. The man tore a few pages out of a Bible and gave them to him. Those pages contained the words of Jesus, "Love your enemies." Our speaker spent the next years trying to understand what those words meant. Are you curious to know what happened next? Join us on October 7th to hear how God is using this man around the world. I have known him for many years and can tell you that every day people who listen to his messages receive Jesus as their Lord and Savior. (See front page for details.) Bring your children with you; during the service we have Superbook Kids for ages 2-5 and Superbook Academy for ages 6-12. (See page 5.)

School of Preaching will resume on October 10th at 7:00pm at Ingleside. I will introduce the Old Testament Prophets and explain the relationship between the Major and Minor Prophets. Learn to be comfortable around the prophets who wrote the Old Testament! This school is open to everyone who is interested in learning to preach.

A promotional poster for the "Power Surge" event. At the top, it says "INGLESIDE CHURCH PRESENTS". Below that, in large white script, is "Power Surge!". Underneath the script, in smaller white text, is "WITH DEMETRIA STALLINGS PROPHETIC WORSHIP & HEALING". The date "WEDNESDAY, OCTOBER 24, 2018" and time "AT 7:00PM" are listed. At the bottom, the church's address "INGLESIDE CHURCH 925 INGLESIDE ROAD NORFOLK, VA 23502 (757) 466-7802" is provided. The background of the poster is dark with some abstract blue and purple light effects.

Demetria Stallings

Due to Hurricane Florence, Demetria's night of prophetic worship with us was moved from September 12th to October 24th. Demetria is an extraordinarily gifted musician and minister. Last year over 600 people were watching the live stream on Facebook while she ministered with us. If you've ever thought about coming to Power Surge, this is the one to make! Demetria frequently leads worship at Regent. She and her team recently returned from ministering in Africa.

Healing flows through her hands as she prays over individuals whom Holy Spirit highlights to her. Follow her on Facebook, but more importantly hear her in person on October 24th at 7:00pm at our next Power Surge.

We always recommend bringing a recording device to Power Surge because you never know when a prophetic or healing word will be spoken over you.

Baptism, Healing and Worship

On September 8th in advance of Hurricane Florence, about twenty people gathered at Ocean View Beach to worship the Lord and baptize seven people. Among those being baptized was a couple from Iran who were ready to make a public statement about their faith in Christ. It was precious for me to baptize the man and for Margaret to baptize the woman. Later that day I texted the couple to thank them for giving us such a satisfying afternoon in the Lord. They wrote back, "Thank you for giving us such a satisfying life in Jesus."

Almost every Sunday international students worship the Lord with us. On September 21st we enjoyed an evening of worship for International students at Old Dominion University. The power of the Lord was present to heal and guide people seeking His direction for their lives. We love that a door for international ministry has opened up in our own community.

Ingleside International Partners

We invite you to become an Ingleside International Partner. A monthly gift of \$18.00 throughout 2018 will help us extend our ministry around the world. Please make your check payable to Ingleside International, or scan the QR code to give through PayPal. Write to our email address for credit card giving. The gifts we receive empower us to say yes when God opens doors like these. At the end of Colossians Paul said, "Remember my chains." Please pray for our friends in the chains of persecution.

Keep the Pride in Ingleside!

By Nikki Southall

Ingleside wins First Place! The Ingleside Civic League won first place for “Project of the Year” at the 2018 Virginia Statewide Neighborhood Conference. Ingleside was recognized for the work we have done with the Elizabeth River Project and their efforts to help mitigate flooding and reduce storm water runoff in our

community. ERP is still working on the bioswale project on the grounds of Ingleside Church and up to Malbon Avenue, which will continue after the New Year. They are also working with residents in different areas of the community to have neighbors create living shorelines. Ingleside received a formal letter from Senator Mark Warner congratulating the community on this very distinguished achievement. Way to go, Ingleside!

Neighborhood Improvements and Updates: Lots of things have been happening in the community since the summer. For starters, Ingleside Elementary has a newly installed rain garden, thanks to Elizabeth River Project, which will help absorb the rain and storm water runoff in that area. Also, a new fence was installed along Ingleside Road, and the enclosure was just finished. The basketball court fence behind the Rec Center was updated with a new piece that closed in the court, which prevents trash and foot traffic in the bushes and overgrowth. And new tables, chairs, computer desks, activity tables, game systems and furniture are in the Rec Center.

It's time to JOIN or RENEW your dues. Strong civic leagues have strong membership! If you have never joined the civic league, please consider becoming a member. If you're a past or current member, we thank you and look forward to you renewing your dues. \$10 covers your household for the year. ***Our next meeting will be on Thursday, October 18th at 6:30pm in the Ingleside Rec Center.*** Bring a neighbor and join us to “Keep the Pride in Ingleside!”

The Neighborhood Expo is coming. Come out and join the City of Norfolk’s Department of Neighborhood Development at their annual Neighborhood Expo on Saturday, October 6th, at Military Circle Mall from 11am - 3pm. This free event is family friendly and will feature entertainment, exhibitors, giveaways, kids’ activities and FREE food. Ingleside will be there representing our great neighborhood!

KIDS, come to Ingleside Church every Sunday morning to follow the adventures of Chris and Joy and their robotic friend Gizmo as they time-travel to discover Bible truths that help every day at home and school!

Children ages 6- 12 begin in the sanctuary at 11:00am to enjoy and participate in worship, then go to **Superbook Academy** until 12:30 for a time of games, crafts or coloring, video and talking together about God. Come and join Superbook Academy!

Children ages 2-5 can go to **Superbook Kids** (nursery) from 10:45am until 12:30pm in the nursery. (For children of adults who are attending the IC worship service.)
